PATHWAYS FOR ELITE ATHLETES AT HKBUAS

Elite Athlete Scheme has been designed to support and assist high performing student athletes considering a further study pathway and/or career plan for them to achieve excellence in their chosen sports, while achieving their best academically.

Students will be provided a tailored education programme including flexible time-tabling as well as an individual support plan corresponding to the student's individual needs and the demands of their sport development.

SCHOLARSHIP

To recognise students' talents and noteworthy performance in sports, music, performing arts, visual arts, services, leadership or academic studies, we welcome talented students to apply for our scholarship. Each student can be entitled to an individual scholarship of not more than the annual tuition fee every year. Outstanding awardees would be granted up to 3-year full scholarship, which is equivalent to 3 years' tuition fees. Application for extension can be made before the end of their awarded scholarship period.

LIVE UP YOUR FULL POTENTIAL AT HKBUAS

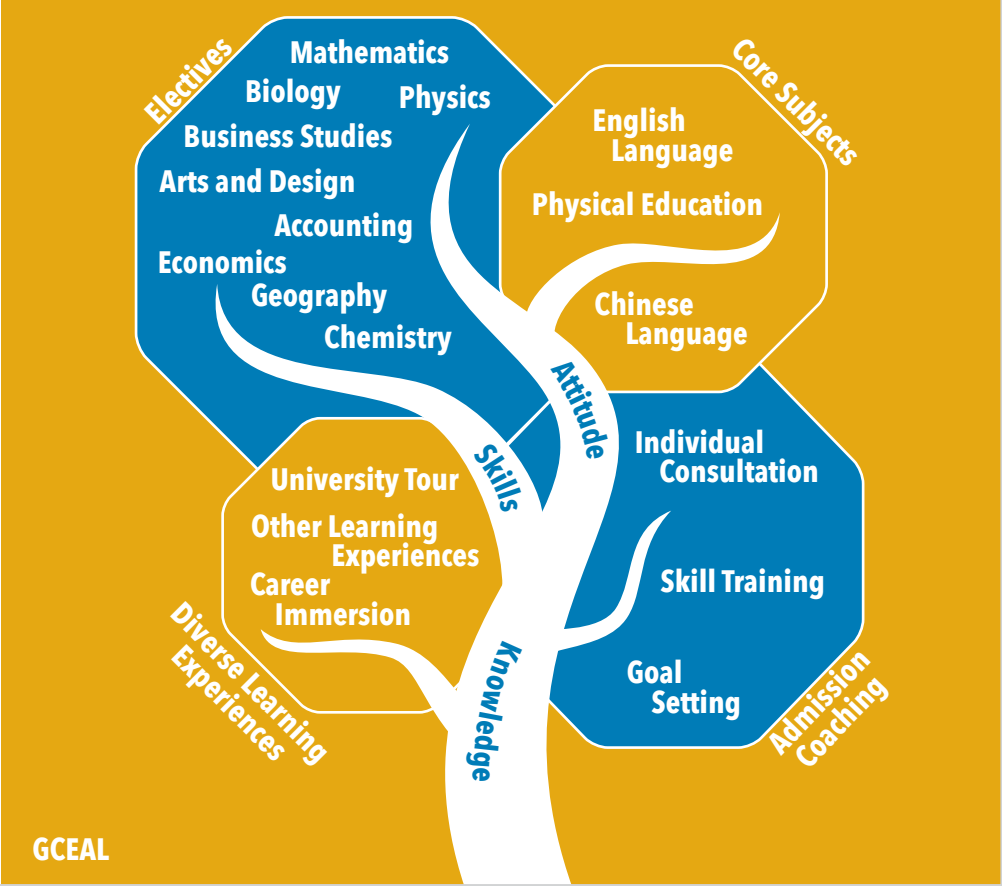

INTERNATIONAL CURRICULUM

We offer international exposures with unique learning opportunities to fuel students' ambition and nurture 21st century learning skill alongside academic pursuit.

IGCSE GCEAL	UMKC High School Dual Credit Programme	WASEDA UNIVERSITY High School Recommendation Admission Scheme	OSSD Online High School Top-up Programme
------------------------------	--	---	--

GCEAL

The General Certificate of Education Advanced Level (GCEAL) is an internationally recognised qualification, adopted in over 125 countries, and is accepted as proof of academic ability for entry to universities worldwide. The syllabuses develop a deep understanding of subject knowledge and independent thinking skills. All the GCEAL subjects offered are administered by either University of Cambridge International Examinations (CIE) or London Examinations (Edexcel). The GCEAL is often characterised as a university preparatory course, and most students who choose GCEAL have an intention of continuing their higher education overseas. Nonetheless, our GCEAL students have an equal advantage in applying for local universities through non-JUPAS admission.

OSSD

HKBUAS has partnered with a Virtual High School in Canada, which is authorised to grant credits for the **Ontario Secondary School Diploma (OSSD)**. Students follow the school curriculum in A-School from Grade 9 to 12 with a self-financed online top-up programme with the Virtual High School in Grade 11 and 12, leading the road to both HKDSE and OSSD.

UMKC

HKBUAS is the first and only local school to develop a partnership with the **University of Missouri-Kansas City (UMKC)** in offering a Dual Credit Programme for our students who are interested in pursuing STEM-related programmes in the future. Students enrolled in the dual credit courses can earn college credits at A-School and then transfer the earned credits to most public and private colleges and universities in the US.

WASEDA UNIVERSITY 早稲田大学

HKBUAS is a pioneer to enter partnership with the acclaimed, long-established Waseda University in Japan to launch the High School Recommendation Admission Scheme in local secondary schools. Every year, two students will be nominated to the university's School of International Liberal Studies for direct admission through the recommendation scheme with scholarship to support their learning overseas.

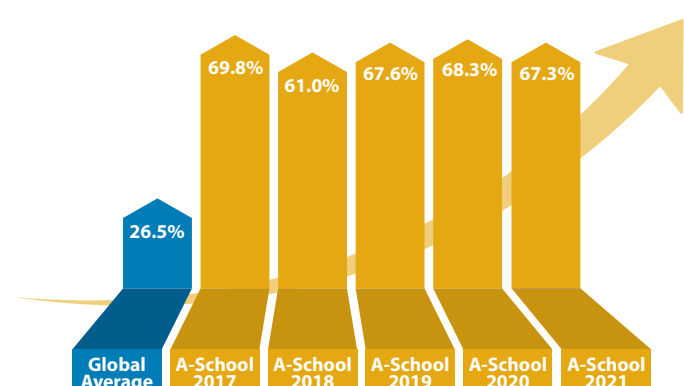

OUR ACADEMIC ACHIEVEMENT

Our graduates continuously achieved remarkable results at the IGCSE and GCEAL examinations which are significantly higher than the global averages, leading them to secure admission to the world's top universities.

IGCSE 2021

No. of entries at grade A* and A

Our students outperformed UK average candidates significantly and continuously.

GCEAL 2021

No. of entries at grade A*

No. of students with 3A or above

No. of students with 3A* or above
