

## Rhythm and Rhyme Gala at Mount Everett Regional School, USA

On October 12-21, 2017, 6 secondary school students joined the Rhythm and Rhyme Gala hosted by Mount Everett Regional School in USA. Students from the USA, Germany, India and Hong Kong gathered at the school to share the music and poetry from their own countries. Students joined choir practice and poetry lessons and had performance on the last night of the programme.

It was a great opportunity for them to understand different cultures at the same time. All had a joyful and fruitful trip, and we will continue to offer different exchange platforms for students to broaden their horizons.
